This work is done out of love and gratitude to God for what he has done for us in Christ. This brochure outlines the ministry groups at Christ Evangelical Lutheran Church

Witness

Witness ministry leads this congregation in witnessing to the gospel of Jesus Christ to people who are not active members of a Christian congregation, to support the faith development of members, and to increase the membership of this congregation with Christ's help. Included in the Witness ministry group are:

- Prayer Team Ministry--is a response to the gift of prayer that God has given to us as his children and as the church and gives us an opportunity to intentionally seek God's will and advance the power of prayer in our congregation. Members of this ministry volunteer to pray in the church on Sunday morning before worship service, praying for those who will be attending worship as well as for the choir, the organist, the minister, and those assisting with the service that morning.
- Prayer Chain--this phone ministry is a list of people who offer intercessory prayer when called.
- Weekly Worship Prayers--members of this ministry write the prayers of the church for Sunday morning and other special worship services.

- Homebound Communion--once a month, this group delivers the holy supper to members who are homebound. There are currently three teams who serve in this capacity.
- Friendship Ministry--seeks to provide intentional as well as continuous contact and support for all congregational members. This ministry is a way for lay people to share God's love through contact, listening, and encouraging one another. Members of this group send birthday cards, get-well cards, or just kind words to members of our congregation. They also make it a point to talk with members to promote overall friendliness within the congregation.

Hospitality

This ministry coordinates various fellowship meals within our congregation, including potluck dinners, special activity meals, and meals for families after funerals or for those who have other special needs.

Property

This committee strives to assure the proper maintenance and protection of all the congregation's properties, facilities, furnishings, and equipment.

Social

This committee works to stimulate and lead all members of the congregation in continuous endeavors to reawaken the spiritually indifferent and to reach others, who are as yet unwon, with the Gospel and invite them to become a part of the assembly of believers, Christ's Church. This committee devotes itself to deepening spiritual life, and to extend Christian compassion and helpfulness to the ill, the aged, the orphaned, the underprivileged, the imprisoned, and in general, to all persons in need of aid in body or soul.

Finance

The finance ministry group prepares a draft budget for each succeeding year and submits the draft budget to the Congregation Council for its action and subsequent presentation to the congregation at a legally called and conducted special congregational meeting in the month of November. This committee oversees all the financial affairs of the congregation to assure that they are being conducted efficiently, giving particular attention to the prompt payment of all obligations and to the regular forwarding of benevolence monies to the treasurer of the synod. It also provides for annual audits of the accounts of the treasurer (or secretary-treasurer) and the financial secretary, as well as of the accounts of the school(s) and organizations within the congregation. This committee also promotes the expression of Christian faith in daily living; to teach the Christian use of money; to diffuse knowledge of the congregation's local, national, and worldwide ministries; and to lead all members of the congregation to higher levels of proportionate giving for the work of our Lord.
